

As a community volunteer group, we look forward to getting to know you both at meetings and at various group projects throughout the year. As in past years, volunteering opportunities are always available within the MGSOC.

Please feel free to contact a board member, committee chair, or a fellow member, to find your niche in the group.

We look forward to having you join our monthly meetings and other gardening events in 2025. Our monthly meetings are held at the Rochester Community House and the meeting topic can be checked at the MGSOC.org website or the monthly E-blast invitation for the meeting.
